## EDUCATION

### It's twine time: Because a Great Student Experience is Good for Learning.

Your students deserve a great learning environment. Get supplies from top brands alongside custom solutions that are as unique as your campus. We deliver when you need it, where you need it, so you can deliver a great learning experience every time.

# Education Facility Solutions

American Paper & Twine, a division of Imperial Dade, understands that education facility professionals need to provide a clean and safe learning environment for students and staff at the total lowest cost. APT delivers innovative educational facility maintenance supplies, hand hygiene solutions, office products and food service disposables.

We offer a broad product mix, state of the art equipment and on-site training that contributes to lower operating costs, an enhanced public image and increased attendance and student performance. Our consultative approach identifies laborsaving recommendations which help to systematize the cleaning process and increase efficiencies. With our access to negotiated price lists on both local and national contracts, you can count on consistent pricing across your entire campus.
