

Fix ShopAPT login issue in Internet Explorer 11

If you have recently updated to Internet Explorer 11 you may be experiencing an issue logging in to your ShopAPT.com account. This issue can be fixed with just a couple of quick changes to the **Compatibility View Settings**.

To add a site to the Compatibility View list

1. Open Internet Explorer 11
2. Tap or click the Tools button in the top menu, and then tap or click Compatibility View settings
3. Under Add this website, enter `www.ShopAPT.com` and then tap or click Add

Note: This change should enable you to access your ShopAPT account, but if you still experience problems please call or email Lonnie Spivak at 615-350-9000 or lspivak@aptcommerce.com.

Thank you for your patience in resolving this technical issue.
